

Join 1,000 Books Before Kindergarten today!

Build Early Literacy skills with your child by joining our 1,000 Books Before Kindergarten program. How does it work? Stop by the Library to register with the front desk or Miss Alix. Each participant will receive a welcome folder with your first tracking pamphlet. Start reading and logging right away! Log each book you read to or with your reader. Any book counts, including those read at school, with relatives, babysitters, listened to, and read more than once. (Yes, repeats count!) Each 100 books will earn your reader a milestone badge and the chance to choose a prize from our treasure chest. When your reader reaches 1,000 books they'll be invited to participate in our once per year 1,000 Books Before Kindergarten graduation ceremony held every June. Reading 1,000 books may seem daunting, but you can start at any age, even newborn and if you read just one book per night for a year that's already 365 books! If you read three books per night for one year that's 1,095 books! Sign up today to start building a solid literacy foundation with your young readers.
