

200 BOOKS

BEFORE HIGH SCHOOL

Join 200 Books Before High School today!

Build Early Literacy skills with your child by joining our 200 Books Before High School program. How does it work? Stop by the Library to register with the front desk or Miss Alix. Each participant will receive a welcome folder with your first tracking pamphlet. Start reading and logging right away!

Log each book you read to or with your reader. Any book counts, including those read at school, with relatives, babysitters, listened to, and read more than once. (Yes, repeats count!) When your reader reaches 200 books, they will receive a grand prize.
